

2019 HARVEST LAB INTERN

The Prisoner Wine Company in St Helena, CA, is seeking Harvest Lab Interns who want to participate in hands on learning in the wine industry. Interns may have the opportunity to visit a vineyard, participate in tastings, and/or visit a sister winery within Constellation Brands' portfolio.

A Harvest Lab Internship at Constellation Brands May Include the Following Tasks:

- Vineyard Maturity Analysis
 - Crush fruit and analyze juice for harvest picking decisions, maintain and distribute data
- Tank and Barrel Sampling
 - Find and take requested samples; track movement of product during production
- Set Up of Production Tastings
 - Coordinate and arrange samples for Winemakers' evaluation
- Data Entry
 - Use Excel spreadsheets, pivot tables and Access data bases
- Perform and Troubleshoot Chemical Analyses
 - Work with automated laboratory equipment
 - Maintain equipment logs
 - Prepare reagents accurately
- Follow safe operating procedures, support safety programs and policies to safeguard personal safety, company property, environmental and team member's safety
- Other work activities as needed

Ideal Candidates Will Have:

- Minimum 1-year of college chemistry with lab
- Valid driver's license and reliable transportation
- Working knowledge of MS Excel and Word
- Ability to work independently with a minimum of supervision when required
- Good communication skills – oral and written

Physical Requirements:

Work Environment:

- Work outdoors/indoors
- Work in warm/cold climates
- Work in high places
- Work on wet surfaces
- May be exposed to loud noise, fumes and/or toxic chemicals
- Works near moving, mechanical parts and lift truck traffic
- Must be able to work on cat-walks, carry ~ 40+ pounds
- Must be able to stand for extended periods of time

Must be able to sit and/or stand for long periods of time and work on a computer for extended periods. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
